

WIN A NIGHT FOR TWO AT WYCK HILL HOUSE HOTEL PLUS THREE FAMILY PASSES TO THE SELECT SHOWCASE, 23-25 OCTOBER 2015

A major new event for 2015 is the Select Showcase at Cheltenham Town Hall from 23-25 October. This event showcases the very best in British contemporary craft and design, with talks, workshops and demonstrations from more than 130 participating artists and over 70 outstanding makers and designers.

Stroud International Textiles (SIT) was established in 2005 to create opportunities for artists to develop their creative practices. The organisation celebrates contemporary work including all applied arts, whilst linking to traditional textile culture. SIT aims to broaden the perspective of textile arts and crafts to other art forms such as performance, dance, music and the written word. Its Select programme presents high quality contemporary crafts exhibitions and events.

Visitors to October's Select Showcase can learn something new, buy something beautiful or just marvel at the outstanding creativity of our designers and crafts people.

For the chance to win one of three family passes to this event, just answer the following question: WHERE IS THE SELECT SHOWCASE BEING HELD IN OCTOBER? The first name out of our competition hat will also win the fabulous prize of a night for two at Wyck Hill House Hotel.
